“and we know that in all things God works  
for the good of those who love him, who have been called  
according to his purpose”

ROMANS 8:28,37-39.

Greetings of Joy and Peace to all!

The year 2020 has been very difficult year for all of us. Millions could not get to see the end of this year, COVID 19 as seeing the major cause. We have heard and talked a lot about the problems and sufferings of this year, but can we think and thank God of the good that God made it possible for you this year?

I reached in Mali on the 10<sup>th</sup> of March for my language and cultural learning. Things could not

go as planned because schools have been closed down for which I have to wait for some months to begin my language course; but God open another way to start my language class and it's been eight months now since I started my language class. I am assigned to go to Chad after my language course for which I am looking forward to join the team in Chad by sometimes of early 2021.

As a full time language learner, my priority for now is on language so I spent most of my time in language and cultural learning activities. Major days of my week are spent in learning language. Learning a completely new language is not an easy task yet I realized its importance for effective ministry, so for now learning language and building relationship with the local is my biggest ministry.

A Children's camp is organized for these children on 3-4 October where I was a part of the camp and had a wonderful time with children, amongst which were Muslim majority.

Asule (teammate from Angami, Naga) and I organized Advent Christmas on 18<sup>th</sup> December with missionary kids and also some Muslim Children from the ministry. It was a great time of sharing what Christmas is all about and showing that they are loved.

My first Christmas in Africa is spent in a village 3 hours' drive away from my home. I am thankful that I could be a part of sharing the hope of Immanuel in

After few months to language class, I learnt to communicate and understand simple conversations so I spent most of my Wednesday afternoon helping a friend in a Children Ministry to the Muslim Children. By November I have taken over this ministry and this ministry involved mostly in discipleship alongside teaching of English

communities where He is least known. This Christmas has been the best and the most meaningful of all.

All Glory to God for what He is doing through US. Your prayers and contributions are measured in heaven. All this ten months in Africa, away from home was not easy but God made it possible through your prayers, contributions, love and encouragement.

Let us expect greater things from God and attempt greater things for Him as we step out in faith in this New Year, 2021.

Wishing You All a Blessed New Year!

# Greetings

to you all in the

MATCHLESS NAME of our LORD & SAVIOUR

## JESUS CHRIST.

God indeed is good all the time.  
We thank the body of Christ for ceaselessly supporting us through different possible ways.

Though this pandemic has caused havoc and discomfort, we thank God that it didn't go in vain but has enabled us to have new perspectives and new strategies to adapt to the new normal.

Here is a brief report of the Lord's field of Lucknow. Since we couldn't meet up due to the pandemic, we stayed connected through prayers. We divided 30 minutes each to each child and some of their mothers and formed chain prayers to pray for different prayer needs everyday.

We thank God for the technologies and gadgets, every Sunday we hold Zoom meeting and worship the Lord together virtually. As we meet through

Zoom we give them a memory verse to meditate and memorise for the whole week.

Every afternoon and night we make it a point to pray for our ministry children and Evangelists and other needs. We make phone calls to find out about their well being and also encourage them and pray with them over the phone.

We bought a mini sewing machine and stitched masks for our house owners and children and their parents.

Another progress is that some of our children are taking initiatives in leading their family for daily family devotions. It is amazing that they are studying and sharing the Word of God in their devotions. All glory and honor belongs to God our Father.

### PRAYER POINTS

Please pray for:

- Our children from unbelieving background to hold on to Jesus and set godly examples
- Our children's online classes and studies to go smoothly
- Our Evangelists and their families
- For God's wisdom over us for better and more effective ideas in reaching out.

*Thank you.*

## CHAKHESANG CHRISTIAN FELLOWSHIP SHILLONG

# CHAPLAIN'S REPORT

JANUARY - DECEMBER 2020

Greetings to you all in the matchless name of our Lord and Savior Jesus Christ!

I thank God for giving me and my family to serve in His kingdom. I also thank the Pfütsero Town Baptist Church for supporting us in prayers and finances. May God continue to bless each and every member in the body of Christ.

The year 2020 has been a challenging year for everyone. The pandemic of Corona virus shook the world surprisingly and substantially damage the daily routine of both individual and cooperate. However, the pandemic could not stop the ministry of God. It gives us more opportunity to pray and meditating upon His words. Though physical contact and visitation was restricted and yet get more opportunity to contact through means of technology.

By the second week of February students come back from winter vacation. So the first CCFS executive meeting was held on 16<sup>th</sup> February and plan out the yearly schedule. The first worship was held on 23<sup>rd</sup> February at Naga Community Hall. Along with the Fellowship executive, we visited family for home fellowship on March 1, 5, 10 and 15.

The *Chakhesang Students' Union and CCFS* executive members had a get together on 14<sup>th</sup> March for better coordination between the Fellowship and Union and also to reach out to all our Chakhesang students here in Shillong.

Due to the pandemic the Meghalaya government imposed curfew in East Khasi Hills on 20<sup>th</sup> of March and the total Lockdown was declared on 24<sup>th</sup> of March. Since then we as Chakhesang community could not gather for fellowship nor for gathering. Though the entire nation declared total lockdown, we as Chakhesang community in Shillong tried to reach out to our community as well as those who are in need of help.

During this time of pandemic people are gripped with fear and anxiety whereby I do visited some hostel and do some counseling and prayer time with them. I also visited sick people in hospitals and guess house and comfort them and share the word of God.

In the midst of sorrow and fear gripped the nation, we are also blessed with new member. Along with *Rev. Neiwete Chirhah*, we had a thanksgiving prayer with the family of *Avi Mero* on May 24.

On May 30, conducted short funeral service or sending off prayer for the late *Mrs Ngulo-u Therie* at *Neigrihms* who passed away due to Brain Tumor.

In the month of September, sending off prayer was held for the dead of one Poumai tribe from Manipur.

As the restriction of the lock down relaxes I tried to visit houses for home fellowship.

Almost all the students' community left home due to

lock down, the fellowship tried to reach out the students' community through phone call, whatsapp, and had some Bible studies and sharing the word of God through short video during the weekend.

Let us continue to pray for the students' community so that very soon they will be able to come back and resume their classes and studies. Let us uphold each other in prayers.

“ ”

“Let us not grow weary while doing good,  
for in due season we shall reap if we do not lose heart.  
Therefore, as we have opportunity, let us do good all,  
especially to those who are of the  
household of faith”

GALATIANS 6:9-10

GOD BLESS YOU ALL.
