Secretary
Mission Department

Greetings to you in Jesus name!

This year has been quite a rain here in Chad. Unprecedented rainfall caused floods across Chad, affecting over one million people in several regions. In N'Djamena, river flooding has caused many households to flee and take refuge in other space. Many have lost their fields, homes and lives. Where some part of Chad suffers loss due to heavy rainfall, some part gained from good amount of rains this year. Locals in GB praised God for good harvest in their fields this year. Pray for God's provision for all those who have lost their fields and houses in the flood.

I am thankful for the last few months in Goz Beida since my last update to you. Building relationships with locals continue to grow. I am thankful for the opportunities I get where I can participate in local events and activities around in the town. 'Semaya' an Arabic word for baby naming ceremony and 'Kalawa' for funeral were the most common happenings in the town where I can be a part of. I got to participate in semaya bringing four bars of washing soap to the new born baby mother and some sugar to kalawa to the bereaved family. I got to sit on mat with women for hours listening and talking to them. It always amazes me how they can get and understand exactly what the other persons is saying even though everybody talks at the same time, all at once. The most common question to me on the mat with these women is, 'why I am not married and if I am willing to accept one of their Chadian men'. It is a challenge sometimes to be a single lady in this culture where marriage and having children is highly valued.

Thank you for praying for my Arabic learning. I can tell you that I have made huge progress in my Arabic speaking which has made me possible to have meaningful and spiritual conversations with my neighbour of my faith in Jesus Christ. I still continue to work on my Arabic with a language helper three times a week.

Ministering to four special girls whom I have mentioned in my previous newsletter has been still the best part of my time in Goz Beida. Out of all activities I do with them, reading stories has been their favourite. At the beginning, I started reading Chadian Arabic stories to them but recently I have started to read Old Testament bible stories. My worry was they will not want to listen to Bible stories but Praise God, they love it and asked for more. Pray for me as I continue to love them and that they will see Jesus in me.

October has been a huge blessing for Dar Sila team. Three new members, a couple and a single lady from SIM Australia have joined our team in Goz Beida. For the last couple years, Dar Sila team had gone through hard times and God bringing new members in the team has been a huge encouragement. Pray for our new missionaries in Dar Sila team, and us the whole six members in the team to work together well as we continue to seek to serve God in Dar Sila region.

Just two days ago, TEAM Chad has ended a week of team annual conference in N'Djamena. It has been a week of rejuvenating spiritual and ministry passion in me. It was an encouragement to meet and hear from TEAM Chad missionaries that are spread all over Chad serving God in different capacities. Pray for TEAM Chad missionaries who are serving God to this Chadians, that each one of us will make a difference in their lives and get to know Christ. Pray also for children who are in the field with their missionary parents.

As we celebrate the birth of Jesus, may your hearts be filled with joy. Pray for me to bring Hope and Life in Christ to these people who are living without Christ as I celebrate Jesus in the midst of these people living in darkness.

“And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ, for which I am in chains. Pray that I may proclaim it clearly, as I should”

Colossians 4:3-4.

BRIEF ANNUAL MINISTRY REPORT: SEPTEMBER-DECEMBER, 2022.

Dear,

Believers of Christ, I greet you all in the gracious name of our Lord Jesus Christ, from North Himalyan Region of Utterakhand-Utter Pradesh, India. Once again, I take this opportunity to express my joy and heartfelt gratitude to the Lord for making everything possible for us to work together in His Vineyard. I also take this occurrence respectfully to thank the CMS/CBCC and Pfutsero Town Baptist Church and all the believers of Christ for your dynamic supports in all spheres of the enlargement God's Mission. A brief ministry report is highlighted below:

I. FELLOWSHIP VISITATION

The Lord is gracious and He enables three of us (Ari Keyho, Nesaru and Teisovi Nyenu) to be able to visit some fellowships under Utterakhan, Utter Pradesh and Nepal within three months. Since Mr. Nesaru and I were new members of the team, we introduced ourselves to the field evangelists and to our fellow believers; it was such a great moment of getting to know each other and had a meaningful time of worshiping God together as well.

Most of the time conducted an altar call for prayer/ healing service at the end of the service, it was amazing to see their faith and willingness to receive the prayers, when we lay our hand and pray for them one by one in the Name of Jesus, then the Spirit moved.

As I was privileged to preach twice in two different Sunday fellowships, so in one of the fellowships I have shared on (i). **“The Mightiest God, the Greatest love, the Resurrected Christ and His Second Coming”**. And in the other (ii). **“The Sovereign God and the Uniqueness of Jesus Christ”**. By God's grace more than fifty-five people which include both matured and naïve believers and few Hindus friends who showed interest in the Gospel and so were able to listen to the message of God.

The grace of God is sufficient for everyone and as you have been praying hard, the power of the Holy Spirit convicted the people and through the active act of senior missionaries and evangelists, we were so blessed to witness ten people added in the kingdom of God in two different places within these three-four months. We laid our hand and prayed for those newly family members in the name of Jesus Christ and we were all blessed. Please continue to pray harder for more souls for the kingdom of God.

II. GROUP ACTIVITIES

1. Every Friday we spent time in prayer and fasting, till 12 noon.
2. We maintain prayer fellowship every evening without fails and used to have a responsive reading from the Hindi Bible as practice, with sir Ari as our mentor. The reason being, to be able to read and speak Hindi is a must for us.
3. On 31th of Sept. we had manual work at new sight / a plot of land which we (CMS) bought for multipurpose building at Kichha. The building construction began on the 2nd of October and the work is still going on. We alternatively looked after the work in progress.
4. On the 3rd of Oct, we had One Day Leadership Orientation Program with evangelists at Lucknow, Miss Vesetalu, and Mr. Ari as main resource person. It was so encouraged to see a strong team out there, we had a wonderful time of getting to know each other, and it was really a moment of strengthening our faith or mine personally by listening to their testimonies, ministry reports and upcoming plans.

5. On the 4th of Oct. evening, while coming by taxi to train station, sir Ari had a soft conversation with the driver, both of them had an equal opportunity to share each of their religious' belief system in a respectful and peaceful manner, meanwhile brother Nusa and I were praying for them silently at backseat of the car and he was able to hear about the Lord Jesus Christ. It was quite a great experienced and we thank God for that opportunity of team work.
6. Understanding that the equipping of leaders is essential for the churches and ministry to flourish. Therefore, on the eleven of November, one day Leadership Training was conducted at Kichha, Dr. Rev. Dusunu as a resource person, where 17 evangelists and three missionaries attended the seminar positively. It was truly a beneficial moment of learning for us all.
7. As a community of believers, we continue to believe the power of prayer. Therefore, on the 15 of November, we organized Evangelists Prayer Fellowship at Bareilly, U.P. the message was delivered by me (Teisovi) on the topic “THE AMBASSADOR OF CHRIST” based on the text: 2 Cor. 5:20 and with the help of the Holy Spirit we had a fruitful meeting of prayer.

III. LUCKNOW

As per the guideline of CMS, I have shifted my field ministry from Kiccha, Utterakhand to Lucknow, Utter Pradesh on the first of December, 2022. Miss Vesetalu Phesao (Senior Missionary) and I have organized Pre-Christmas program in three different locations. I was blessed by a senior missionary to share the Gospel in those occasions, and the Good News was heard by more than 40 children in total and few parents with majority of them being non-Christian.

IV. PRAYER REQUEST

1. Continue to pray that a good relationship would resume among the missionaries, evangelists and the fellow believers as well as to maintain peace with other people of faith, so that we may share the Gospel efficiently to others. And win many souls for the kingdom of God.
2. Earnestly pray for the growth of church and the protection of fellow believers here, because BJP/RSS is an active opposition to Christian community.
3. Continue to pray for the ongoing church building construction at Kichha.
4. Please continue to uphold us in your prayer for the safety of my family, as they will be joining me in the mission field from the early part of January next year.
5. By the grace of God and through your prayers along with the sweats of senior missionaries, we have been blessed with a good house owner (Christian). Please always keep them in your prayers.

Once again thank you for your interest in the Mission and supporting us financially, spiritually and morally to work in the Great Commission. We deeply appreciate you for living out the Gospel. Please, continue to pray earnestly for the Mission because there are a lot more to do. Praise the Lord and May God Bless You All.
