My SUNDAY SCHOOL

Sunday is one of my favorite days of the week because I get to attend Sunday school. Every Sunday I wake up excited, put on my best clothes, and go to church. Sunday school is a special place where I learn about God, Jesus and the Bible in a fun and meaningful way.

When I arrive at Sunday School, I am always happy to meet my friends and teachers. We begin with prayers and worship songs. The teachers are kind and patient, and they teach us Bible stories in such a way which are easy to understand.

One of the things I enjoy most is listening to stories about Jesus. Through these stories, I learn important lessons about love, kindness, forgiveness, obedience, and faith. Stories such as David and Goliath and Noah's Ark inspire me to trust God and help others.

Sunday school is not only about listening to stories. We also learn by participating in quizzes and memory verse competitions. This activities make learning fun and enjoyable and help me remember what I have learned from my teachers and the Bible.

Another important thing I learned from Sunday school is how to become a better person. My teachers encourage us to respect our parents, be kind to our friends, tell the truth and care for those in need. These lessons help to make good choices. My Sunday school life has mould in such a way that I have become more confident and more loving.

Sunday School make me understand that unconditional love toward me by our loving God. It has taught me good values and bringing more happiness to my heart. I'm very grateful for my Sunday school teachers and the opportunity to learn more about God every week.

CHAKHESANG CHRISTIAN FELLOWSHIP, SHILLONG

Chaplain's Report (Jan-March, 2026)

With the New Year arrived, more responsibility and challenges also realized for we are living in this fast and furious world where slow and steady lost their enthusiasm and purposes. However, by the grace of God, we have witnessed His faithfulness upon us and we have hope in Christ that we will continue to experience His presence throughout this year. Galatians 6:9 encourages us to persistence in doing good without becoming weary and discouraged because at the proper time our effort will yield its fruit. Looking forward with the great team of executives who supported the ministry in time of thick and thin and with enthusiasm and willingness to go further miles for God's glory.

CHURCH WORKERS REFLECTION

To God be the glory forever and ever. I want to begin with a heart full of deep gratitude for God's faithfulness and constant love.

Someone said that God deliberately chooses imperfect vessels. Then he prepares them to serve and sends them out with their weakness still evident, so that his strength can be made perfect in that weakness. And I truly believe that I am one of the imperfect vessels called to serve in our church ministry.

I first joined as one of the members in Decoration committee, then as a group leader and currently as a Program coordinator. My initial hesitation slowly turns to joy once I started serving the Lord. Working as one of the church youth office bearers taught me that there is immense joy in serving even through ordinary tasks like volunteering, cooking and washing the dishes after youth gathering, staying late to prepare for events and praying for each other.

Eight Winters have passed since I've started serving as one of the office bearers and it has helped me grow

more spiritually than if I had been anywhere else. It also gave me an opportunity to make many new acquaintances and made me realize the joy of having friendship built on Christ in our shared experiences.

Colossians 3:23-24 says,
Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.

I want to end by inserting this Bible passage to serve as a reminder for everyone that no task is too small to be meaningful when it is done for Him.

Menou Kazhie

CHURCH WORKERS REFLECTION

I thank God for the privilege of serving as an office bearer in the church. This responsibility has been a great blessing and has helped me grow in many ways. Through this ministry, I have experienced God's guidance, protection, and faithfulness in my life and family.

One of the greatest blessings I have received is good health, peace of mind, and God's constant care over my family and me. I believe that the Lord has always watched over us, protected us, and guided us in every step of our journey.

Serving as an office bearer has also given me the opportunity to work with fellow believers who possess different talents and gifts. Working together in unity has brought great joy and has taught me valuable lessons in cooperation, humility, and leadership.

This service has contributed to my overall development—physically, mentally, and spiritually. It has strengthened my faith, improved my sense of responsibility, and encouraged me to become a better

Zunyiteu Kapfo

person. Through every challenge and opportunity, I have learned to depend more on God and trust His plans.

I have come to realize that the blessings I have received through serving the Lord cannot be bought with money. The joy, satisfaction, and spiritual growth that come from serving God and His people are priceless. It is a privilege to serve joyfully and wholeheartedly in whatever way I can for the glory of God.

In conclusion, I thank God for all the visible and unseen blessings I have received as an office bearer. I remain committed to serving faithfully and pray for God's continued guidance, protection, wisdom, and blessings upon our church and all its members.

BAPTISM

Thinking of taking Water Baptism?

Congratulations! It is a significant and beautiful step forward in your spiritual maturity and understanding. Baptism symbolizes your public commitment to Jesus Christ and your desire to grow deeper in faith.

However, it's important to remember that baptism is not a ticket to salvation. Salvation comes through faith in Jesus alone, and baptism is an outward expression of that faith—it is never something done out of compulsion or pressure but always a matter of the heart.

As you reflect on your readiness, consider these questions seriously:

- Have you personally accepted Jesus as your Lord and Savior?
- Do you understand that baptism symbolizes the death of your old self and resurrection to new life in Christ?
- Are you ready to live a life following Jesus, obedient to His teachings?
- Is your desire to be baptized coming from your own conviction and love for Jesus, not from obligation?

When you are confident in these answers, the next step is to stand before the congregation during one of the evening services to publicly confess that you understand and accept Jesus and are ready to be baptized.

Here is an example you can say in front of the congregation when asking for water baptism:

"I STAND HERE TODAY TO PUBLICLY DECLARE MY FAITH IN JESUS CHRIST AS MY LORD AND SAVIOR. I BELIEVE HE DIED FOR MY SINS AND WAS RAISED TO GIVE ME NEW LIFE. BAPTISM IS MY WAY OF SHOWING OBEDIENCE TO JESUS AND COMMITTING TO FOLLOW HIM. I AM READY TO TAKE THIS STEP AND ASK TO BE BAPTIZED."

After this public confession, you will be invited to attend a baptism class where you will learn more about the meaning and significance of baptism. Following this, the church deacons will counsel you personally to support and guide you as you prepare for your baptism day.

This process ensures that your baptism is a heartfelt declaration and a milestone in your spiritual journey.

May God bless you richly as you take this important step!

Welcome to our **CHURCH FAMILY!**

We are overjoyed to welcome you into our church family! Whether you are new to the faith or seeking a deeper relationship with God, please know that you are not just a visitor here—you are home.

We invite you to freely share in times of thanksgiving, seek counselling or prayer, or reach out for support in any area of life. Our doors and hearts are always open to walk with you, encourage you, and grow with you in the love of Jesus Christ.

We also warmly encourage you to get connected by joining one of our fellowship groups:

- Men's Fellowship
- Women's Fellowship
- Youth Fellowship
- Children's Fellowship

These groups offer a place of spiritual growth, encouragement, and community. If you haven't registered yet, please do so with one of our ushers or leaders after the service—or reach out to the church office for assistance.

Once again, welcome. We are grateful to God for leading you here, and we look forward to journeying together in faith and love.
